Sleek, sturdy and ready for the daily grind.

The Thinvent Uno 21.5" All-in-One PC brings dependable performance to any front-line setting, from busy reception desks to bustling factory floors. Whether you're managing customer bookings, monitoring production lines, or running a retail point-of-sale, this machine is built to keep up without fuss. Its compact, space-saving design and height-adjustable stand let you set up a comfortable workstation wherever space is tight, while the pop-up camera offers a discreet touch of privacy when you need it.

Who it suits

- Customer-facing counters and help desks that need a professional, clutter-free look
- Industrial offices and control rooms where reliability matters more than flash
- Education and healthcare environments that demand a secure, easy-to-manage system
- Retail and hospitality settings that run through the busiest shifts without complaint

Why choose it

- Fast and responsive processing handles everyday tasks with ease, so work flows without frustrating delays
- A sharp, wide-angle display makes reading spreadsheets, forms, and dashboards clear from any position
- Built-in dual band WiFi keeps you connected reliably, even in crowded network environments
- Windows 11 Professional gives you robust security features and familiar productivity tools out of the box
- A strong aluminium and steel construction shrugs off knocks and bumps, so it keeps performing day after day

This isn't just a computer; it's a quiet workhorse designed to make your team more productive and your operations smoother. With a reassuring warranty and a rock-solid build, the Thinvent Uno earns its place at the heart of your workspace. Choose it for a dependable, professional solution that simply gets on with the job.
