Elevate every workspace with a computing companion built to impress, endure, and perform.

****Why the Thinvent Uno 21.5" All-in-One is the only PC you'll need:****

This is the all-in-one that puts your business first. Designed for busy reception areas, bustling shop floors, healthcare clinics, and modern classrooms, the Uno brings dependable power to a sleek, space-saving frame. No more untidy towers or tangled cables — just a clean, professional finish that makes a great first impression, every time.

****Work smarter, not harder:****

With a responsive processor at its heart, this desktop handles daily tasks, customer inquiries, and multi-tasking with ease. Whether you're managing appointments, processing orders, or running engaging presentations, the Uno keeps pace without breaking a sweat. And with a generous solid-state drive, boot-up and file access feel instant, so you spend less time waiting and more time delivering.

****Built for the way you work:****

The pop-up webcam is a thoughtful touch, giving you video-call capability when you need it and complete privacy when you don't. The height-adjustable stand ensures comfortable viewing for everyone, from counter staff to visiting clients, reducing strain during long shifts. Add the crisp full-HD display with wide viewing angles, and you have a screen that works beautifully from any position.

****Made to offer real solutions:****

Wired networking means a stable, secure connection your business can rely on, free from wireless interference. The sturdy aluminium and steel construction shrugs off the bumps of daily life, while the included Kensington lock slot helps keep your investment safe. For a professional, reliable, and refreshingly simple computing solution, the Thinvent Uno is the clear choice.
