Engineered for simplicity, built for business.

The Thinvent® Uno All-in-One PC consolidates your entire workspace into one sleek, professional unit. It's the definitive solution for clutter-free, space-efficient computing in retail, hospitality, and office environments.

Why choose the Thinvent Uno All-in-One PC

- Effortless deployment: A single cable powers the entire system, drastically reducing setup time and cable management headaches.
- Ultimate space-saving design: Free up valuable desk real estate by eliminating the bulky tower, creating a cleaner, more professional customer-facing or back-office area.

- Unwavering reliability: Engineered with industrial-grade components for continuous operation, ensuring your point-of-sale, digital signage, or administrative tasks run without interruption.
- Adaptable viewing: The height-adjustable stand allows you to perfectly position the clear, vibrant display for any user, enhancing comfort and productivity throughout the day.
- Robust connectivity: Dual Gigabit Ethernet ports provide network redundancy and flexibility for critical business applications, keeping your operations firmly connected.

Streamline your operations with a robust, all-in-one computer that works as hard as you do.
