The streamlined engine for your daily operations: The Thinvent Uno All-in-One PC.

Simplify your workspace with a powerful, integrated solution designed for business-critical environments. This sleek, all-in-one unit combines a vivid 21.5" display with robust computing power to handle point-of-sale, digital signage, and office administration with effortless reliability.

### Key advantages

- Maximise productivity with a clutter-free, space-saving design that integrates the PC directly into the monitor.
- Ensure consistent uptime for essential tasks with dependable Intel processing power and dual Ethernet ports for network redundancy.
- Connect with ease using multiple USB ports for peripherals and enjoy flexible wireless connectivity.

- Benefit from a durable, industrial-grade construction built to withstand the demands of all-day operation in retail, hospitality, or light industrial settings.

### Ideal for

- Point-of-Sale (POS) and kiosk systems requiring a compact, professional footprint.
- Control rooms and factory floors where reliable, always-on performance is non-negotiable.
- Reception desks and back-office admin where a tidy, professional appearance matters.

Choose the Thinvent Uno. It's the robust, no-fuss computing foundation your business needs, ready to run your dedicated software reliably day in, day out.
