Your All-in-One Workspace, Uncompromised.

Say goodbye to clutter and hello to streamlined efficiency. The Thinvent® Uno 21.5" All-in-One PC consolidates your entire computing setup into one sleek, professional unit. It's the perfect central hub for demanding environments where space, reliability, and clear focus are paramount.

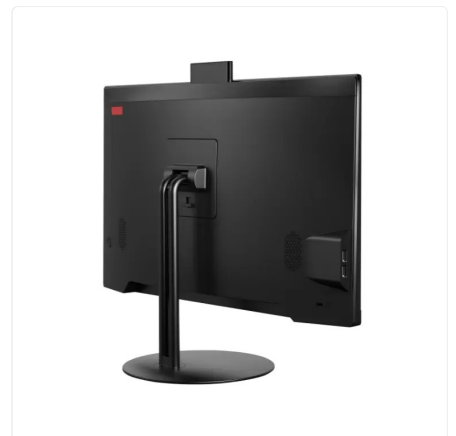

Engineered for Productivity

From the shop floor to the control room, the Uno is built to perform. Its modern processor delivers smooth multitasking for your essential business software, while the vibrant 21.5-inch full HD screen presents every detail with crisp clarity. The integrated height-adjustable stand ensures perfect ergonomics for any user, reducing strain during long shifts.

Built Tough, Designed Smart

We've designed the Uno with industrial-grade resilience. Its robust construction and dual Gigabit LAN ports provide a rock-solid, wired connection for critical network reliability, ideal for point-of-sale systems, digital signage, or manufacturing process control. The pop-up camera offers privacy when you need it, and security features like the Kensington lock slot keep your asset safe.

Simplify your operation with a dependable, space-saving solution that lets your team focus on the work that matters. The Thinvent Uno is the robust, no-fuss computer ready for your business day.
