Unleash seamless efficiency in a sleek, space-saving design.

### Perfect for demanding environments

This robust all-in-one PC consolidates your entire workstation into a single, elegant unit, freeing up valuable desk space and reducing cable clutter. Its reliable performance is built for the long haul, handling daily business applications, digital signage, and interactive kiosk duties with consistent ease.

### Engineered for adaptability and control

The integrated height-adjustable stand allows you to customise the viewing angle for optimal comfort, reducing strain during long shifts. Dual Ethernet ports provide critical network redundancy or the flexibility to manage two separate networks, ensuring your operations stay connected. With Ubuntu Linux, benefit from a stable, secure, and bloatware-free operating system right out of the box.

### Built for business continuity

- Experience a clean, integrated setup that minimises points of failure.
- Gain peace of mind with hardware designed for 24/7 reliability in commercial settings.
- Simplify deployment and maintenance with a unified, professional-grade system.
