The Uno 21.5" All-in-One PC – a polished, space-saving workhorse that keeps your desk tidy and your workflow effortless.

Meet the heart of your front-of-house

This sleek All-in-One from Thinvent brings together a sharp Full HD display, dependable performance and business-grade reliability in one neat package. It is purpose-built for reception desks, retail tills, booking kiosks and busy back offices, where every centimetre of space counts and downtime is simply not an option.

A cleaner desk, a clearer mind

By blending the PC and screen into a single slim unit, the Uno removes the tangle of towers and cables that clutters most workspaces. Your counter stays tidy, your staff stay organised, and your customers see a professional setup that inspires confidence.

Move at the speed of your business

With the latest-generation Intel Core i3 processor under the bonnet, this machine handles everyday business applications, web-based systems and productivity suites with genuine ease. Multitasking feels smooth, applications open quickly, and the responsive experience keeps your team moving throughout the day.

Private when you need it, connected when you don't

The discreet pop-up webcam only appears when you want it, giving your customers and colleagues peace of mind around privacy. Dual-band WiFi keeps you reliably connected whether you are on a crowded office network or a quiet corner of the shop floor – no messy cabling required.

Ready to work from day one

Pre-installed with Windows 11 Professional, the Uno delivers the modern, secure and familiar environment your business relies on. Backed by Thinvent's robust build quality and certifications, it is a dependable choice that will serve you well for years to come.

Why choose the Thinvent Uno?

- It saves valuable space without sacrificing performance.
- It protects privacy with a hidden, pop-up camera.
- It offers dependable connectivity for a busy workplace.
- It comes ready to run with Windows 11 Professional.

For a clean, quiet and capable computing solution that simply gets on with the job, the Thinvent Uno 21.5" All-in-One PC is the smart choice for your business.
