Fixed Stand

SKU: UNO22-I3_13-16_16-M512-12_10-X-110-F

Meet the Thinvent Uno 21.5" All-in-One PC — a quiet powerhouse that brings effortless computing to your counter, desk, or workspace.

Why you'll love it

- Step into a clutter-free setup where the entire computer lives inside the screen. No towers, no tangles, just one elegant display that makes any space look instantly smarter.
- Enjoy responsive everyday performance that keeps up with busy shifts, whether you're managing bookings, updating stock, or running customer-facing applications without a hitch.
- Work comfortably from any angle thanks to a wide-viewing screen that stays clear and vibrant, so colleagues and customers alike see everything perfectly.

Built for real workplaces

- The discreet pop-up camera is a privacy dream. It tucks away when not in use, so you stay in control of when you're seen — perfect for clinics, reception areas, and shared offices.
- Dependable, low-noise operation keeps the focus on your work, not the hum of machinery. It's designed to sit quietly on a desk all day, every day.

- A robust metal and ABS housing shrugs off the bumps and knocks of daily use, ready for demanding environments like retail floors, hotel front desks, and school offices.

A smarter choice for your business

- With Windows 11 Professional built in, you get a familiar, secure, and productive environment from the moment you switch it on.
- The space-saving, all-in-one design reduces cabling and makes installation a five-minute job. Free up valuable room and cut the usual setup headaches.
- Fixed stand keeps things stable and simple — no moving parts to fiddle with, just solid, reliable performance.

Whether you're modernising a front desk, fitting out a training room, or upgrading a point-of-sale station, the Thinvent Uno delivers a clean, capable, and reassuringly dependable computing experience. Choose the simple, professional solution that just works.

Thinvent Uno 21.5" All in One PC

Specifications
