SKU: UNO22-I5_12-8-M128-12_7-X-11O-HA

Meet the Thinvent Uno 21.5" All-in-One – the quiet powerhouse that keeps your business moving without missing a beat.

Built for the daily grind

- Tackle spreadsheets, web apps and busy inboxes with the responsive 12-core Intel Core i5 processor
- Start up and switch tasks in a flash thanks to the zippy solid-state drive
- Keep your workspace tidy with one sleek unit that hides the computer inside the screen

Designed around you

- Adjust the screen height to find your perfect posture, whether you're at a reception desk or a workshop bench
- The pop-up webcam tucks away when not in use, so privacy is always under your control
- Wide viewing angles mean customers and colleagues can see the display clearly from anywhere in the room

Made to last in demanding places

- The sturdy aluminium and steel housing shrugs off the bumps of a busy retail floor, clinic or factory office
- Runs reliably in warmth and humidity, so it won't let you down when the pressure is on
- Comes with Windows 11 Professional for the familiarity, security and management tools your IT team expects

Why choose the Thinvent Uno? Because it's not just another PC – it's a dependable workmate that keeps your front line looking professional and running smoothly. From hotel check-ins to patient registration, from warehouse kiosks to boardroom meeting rooms, this all-in-one slots in effortlessly and gets on with the job.

Upgrade your workspace with a computer that's as comfortable to use as it is tough to break. The Thinvent Uno is ready to work when you are.
