Power through your workspace with seamless precision.

Built for demanding environments where reliability matters most

- Drive your point-of-sale, kiosk, or digital signage with a robust all-in-one that handles continuous operation without breaking a sweat
- The height-adjustable stand lets you find the perfect viewing angle, reducing strain during long shifts
- A crisp 21.5-inch full HD display ensures your content looks sharp and professional, whether you're serving customers or monitoring data
- Pop-up webcam adds security and privacy – it's there when you need it, hidden when you don't
- Slim, aluminium-clad design fits neatly into retail counters, reception desks, or industrial workstations – saving valuable space without sacrificing performance

- It's built for the long haul: solid construction and industrial-grade components mean fewer disruptions and lower total cost of ownership
- Perfect for Windows 11 IoT, it provides a stable, secure platform for your business applications – from inventory management to patient check-in
- Low power consumption at 12V keeps energy bills down and heat output minimal, even when running 24/7
- Dual-band WiFi and gigabit Ethernet give you flexible, reliable connectivity wherever you place it
- Backed by Thinvent's commitment to quality, with certifications that prove it can handle real-world conditions

Why choose the Thinvent Uno?

The Uno 21.5" is the smart choice for anyone who needs a dependable, all-in-one computing solution that's ready to work as hard as you do.
