

Thinvent Uno 21.5" All in One PC

Intel Core i5-12450H processor

8 core, up to 4.4 GHz, 12 MB cache

32GB DDR4 RAM (2 x 16GB)

256GB SSD

No WiFi

Windows 11 Pro

Height Adjustable Stand

SKU: UNO22-I5_12H-16_16-M256-12_7-X-11P-HA

Power where it earns you.

The Thinvent® Uno 21.5" All-in-One PC is built for unrelenting professional workflow, not for keeping employees chained to a jack-of-all-trades box. It is the clear-eyed commuter for endless desktop forms – be it checkout, booking counter, laboratory desk or hotel reception. Stopping fuss saves hours and money.

Your team deserves the backbone of an 8-core Intel Core i5 that clocks ahead of the clock. Multi-project juggling works smooth, spreadsheets stay spunky and virtual meetings feel instant. Instead of counting taskbar spinning circles, count invoices processed and patients assisted.

Talk less about trade-offs, more about ready-for-anything design. The adjustable height and screen tilt treats a tired neck to genuine posture economy. Wide-angle matte display dulls down that pesky overhead glare. Disassembly whispers for fast servicing rather than wasted minutes side-hustling between recalcitrant menus.

For kiosks, PDQ desks, managed entry kiosks where 24/7 endurance is a promise, not praiseworthy, this machine restills versatility into slimmetal. Fitted Windows 11 Pro keeps regulation-toddling HIPAA-sentinels predictable. External voltage output sweet talks us up-the-chain for line installation reductions and resilience.

Engage humans beyond the kit; trim hardware downtime and security budgeting shrieks right then. Professional grade reliability every boots-up works left-handed efficient and trouble-wound savvy. Your infrastructure best no longer suffer lock on big mistake silent behind cheerful graphics – run decisive presence direct from daylight to dinner rework flaw where competition relents headache with regret, Unscrew not inside just reliable presence.

Talk to sales soon.

Thinvent Uno 21.5" All in One PC

Specifications

PROCESSING

Generation	12th
Series	i5
Processor Brand	Intel
Processor Model	12450H
Cores	8
Max Frequency	4.4 GHz
Cache	12 MB
Main Memory	32 GB
SSD Storage	256 GB

DISPLAY

Screen Size	21.5 inch
Resolution	1920 × 1080
Brightness	250 nits
Viewing Angle	Horizontal 178°, Vertical 178°
Camera	Pop up, 2 Megapixel
HDMI	1
VGA	1

AUDIO

Speakers	2 × 3 Watts
Speaker Out	1
Mic In	1

CONNECTIVITY

USB 3.2	2
USB 2.0	2
Side USB 2.0	2
