SKU: UNO22-I5_12L-16-M1024-12_10-X-11O-HA

Meet the Thinvent® Uno 21.5" All-in-One – the dependable workhorse your business deserves.

This elegant, space-saving PC brings together robust performance and thoughtful design, so you can focus on the work that matters rather than the technology behind it. Whether you're running a busy reception desk, a shop floor, a clinic, or a bustling back office, the Uno keeps up effortlessly – even when you're juggling multiple applications and demanding tasks. Its responsive processor makes everyday computing feel instant, while the crisp, bright Full HD screen offers wide viewing angles, so colleagues can share information comfortably.

Privacy built in

The discreet pop-up camera means you're in control – when it's not in use, it's physically hidden. No awkward tape over the lens, no security worries.

Made to keep you comfortable

The height-adjustable stand lets you position the screen exactly where you need it, helping to reduce neck and back strain during long shifts. The slim, sturdy aluminium and steel construction looks professional anywhere and withstands the rigours of daily use.

Connected for business

With dual Ethernet ports, the Uno is a natural choice for secure network environments, enabling reliable connections to internal systems, point-of-sale terminals, or segregated networks. You get the peace of mind that comes from stable, consistent connectivity – no adapters, no fuss.

Ready for the working day

Running Windows 11 Professional, the Uno gives you familiar tools, enhanced security, and seamless compatibility with your existing software. It's quiet, cool, and efficient, designed to run reliably for years in demanding environments.

Choose the Thinvent Uno 21.5" for a clean, compact, and genuinely dependable computing solution that works as hard as you do. Your business deserves nothing less.
