### The Thinvent Uno All-in-One PC

Streamline your operations with a clean, cable-free design that saves valuable space and simplifies setup. This isn't just a computer; it's a centralised hub for productivity, designed to handle demanding business software with responsive, reliable performance.

#### Ideal for mission-critical environments

- Command centre for factory floors, providing a clear view of production data.
- Secure and robust workstation for point-of-sale or reception areas.

- Perfect for digital signage and information kiosks in high-traffic locations.

Why choose the Uno?

Its industrial-grade build and compact footprint ensure durability in challenging conditions, from busy warehouses to 24/7 control rooms. With dual Ethernet for network redundancy and integrated Wi-Fi, it maintains a constant, secure connection. The vibrant 21.5-inch display delivers crisp visuals, while the pop-up camera offers privacy when you need it. Everything you require is built into one robust, dependable unit, letting you focus on your work, not your hardware.
