SKU: UNO22-I5_12L-32-M128-12_10-X-11O-F

Your business deserves a workhorse that keeps pace with every demand.

Meet the Thinvent Uno 21.5" All-in-One PC – the dependable heart of your daily operations, crafted for professionals who need power without the clutter. This isn't just a computer; it's a sleek, space-saving solution that brings effortless performance to your desk, counter, or control room.

Why choose the Uno 21.5"

- Streamlined design that frees up valuable workspace, combining a vibrant full HD display with a robust build that's ready for round-the-clock duty.
- Rock-solid reliability for demanding environments, from busy retail floors to industrial settings where downtime is simply not an option.
- Seamless connectivity with twin Ethernet ports, ensuring your network stays fast, secure, and always on – perfect for POS systems, data entry, or remote management.

- Smooth multitasking that keeps up with your team, handling everyday applications with ease so everyone stays productive and focused.

Where it shines

Ideal for front-of-house reception, shop counters, warehouse terminals, and any role that demands a crisp, clear screen and unwavering performance. The pop-up camera adds a touch of modern convenience for video calls or secure logins, while the sturdy fixed stand keeps everything stable and tidy.

When you choose the Thinvent Uno, you're investing in a machine that simply gets on with the job – no fuss, no frills, just dependable results. Backed by trusted certifications and built from quality materials, it's the smart, straightforward choice for businesses that value both form and function.

Upgrade your workspace today and experience the quiet confidence of a computer that never lets you down.
