Engineered for the pace of modern business: meet the Thinvent Uno All-in-One.

The Ultimate Workspace Consolidator

Tired of bulky towers and tangled cables? The Uno's sleek, all-in-one design integrates everything into a single, elegant unit. Free up valuable desk space and present a clean, professional image in any environment, from reception areas and shop floors to busy offices and classrooms.

Adapts to Your Day, Not the Other Way Around

- The height-adjustable stand lets you find the perfect viewing angle for every user, reducing strain and boosting comfort during long shifts.
- Dual Ethernet ports provide critical network redundancy or the ability to manage two separate networks from one station, ensuring operations never halt.

- With robust construction and a wide operating temperature range, it delivers dependable performance wherever you need it, day in and day out.

Simple, Secure, and Ready for Your System

Arriving without a pre-installed operating system, the Uno offers complete flexibility. Deploy it seamlessly into your existing IT infrastructure, installing your preferred OS and software for immediate productivity. The Kensington lock slot provides straightforward physical security for peace of mind.

The Thinvent Uno: More than a computer, it's a streamlined solution for a more efficient workspace.
