Engineered for Endurance: The Industrial All-in-One Built to Deliver.

Designed to thrive where standard computers fail, the Thinvent Uno is your steadfast partner for demanding environments. It transforms cluttered workstations into streamlined hubs of efficiency, combining robust computing power with a space-saving, integrated design.

Uncompromising Reliability for Your Core Operations

- Experience smooth, responsive performance for critical tasks, from process monitoring to digital signage.
- Its durable, all-metal construction shrugs off the rigours of factory floors, retail spaces, and busy control rooms.
- Dual Ethernet ports provide essential network redundancy and connectivity for industrial peripherals.

Simplify Your Space, Secure Your Data

- Eliminate the tangle of separate towers, monitors, and cables with a single, clean all-in-one footprint.
- Benefit from enhanced physical security features, giving you peace of mind for unattended operations.
- The integrated design and proven components ensure long-term stability, reducing downtime and maintenance headaches.

Built for the Real World

This isn't an office PC in disguise. The Thinvent Uno is purpose-built for 24/7 reliability, offering a pristine visual display and the consistent power needed to keep your applications and your business running seamlessly day after day.
