SKU: UNO22-I5_13-32-M128-12_10-X-110-HA

The all-in-one that means business from the moment you power it on.

The Thinvent Uno 21.5" All-in-One PC is the effortless choice for busy workplaces that need dependable, clutter-free computing. Built around a powerful Intel Core i5 processor, it handles everyday tasks with brisk efficiency – so your team spends less time waiting and more time doing.

Perfect for your workspace

- The sleek, space-saving design combines screen and computer in one, freeing up your desk for the things that matter.
- A height-adjustable stand lets you set the perfect viewing position, keeping you comfortable through long working sessions.
- The pop-up webcam tucks away when not in use, giving you a clear view when you need it and peace of mind when you don't.
- A crisp, full-HD display delivers sharp text and vibrant images, ideal for everything from spreadsheets to customer-facing presentations.

Built to keep you moving

- Dependable storage and memory get you up and running quickly, with room to store your important files.
- Simple, reliable connectivity for your peripherals, network and displays means no fuss, no adapters, no hassle.
- Windows 11 Professional brings familiar productivity, enhanced security and smooth management – ready for the demands of modern business.

Whether it's the front desk, the back office or the boardroom, the Thinvent Uno looks professional and works harder. It's the practical, long-lasting choice for companies that value reliability without the premium price tag. Choose the Uno and give your team a computer they'll actually enjoy using.
