The Uno 21.5" All-in-One: every inch of it, effortlessly yours.

Picture a workspace that works as hard as you do. The Thinvent Uno 21.5" All-in-One takes a powerful 13th-generation Intel Core i5 processor and folds it into an elegant, space-savvy display that leaves your desk free for the things that matter. No tower, no tangle of cables – just a crisp, full-HD screen ready to command your day.

Find your perfect view, then keep it

- The height-adjustable stand moves in seconds, so you can settle into a comfortable, ergonomic position whether you're answering emails or crunching spreadsheets.
- A 178-degree viewing angle means clear visuals from almost anywhere in the room – perfect for collaborating with a colleague or sharing a screen with a client.
- The built-in pop-up webcam stays safely hidden until you need it, giving you a distraction-free video call and total peace of mind on privacy.

Made to keep up with modern working life

- Dual-band Wi-Fi keeps you connected reliably, whether you're working from the office, a café or home.
- With Windows 11 Professional on board, you get a polished, secure environment that keeps productivity flowing.
- The robust aluminium and steel construction means this is a machine built for the long haul – it shrugs off the knocks of a busy workplace.

And because it's a Thinvent, you're choosing a brand trusted by businesses that need dependable industrial-grade computing. The Uno 21.5" is the perfect partner for reception desks, retail counters, control rooms and anywhere that demands style with substance.

Make your desk look smarter, your work feel lighter, and your day run smoother. The Uno 21.5" All-in-One is ready when you are.
