Command the desk with quiet power. The Thinvent Uno 21.5" All-in-One PC brings enterprise-grade performance to every workspace, counter and control room without the clutter of a tower.

Built to keep your business moving

- Handle demanding daily tasks with the responsive Intel® Core™ i7 processor, swift storage and smooth multitasking.
- Present a polished, professional front to customers and colleagues with a slim aluminium design that looks as good as it works.
- Enjoy ergonomic comfort with a height-adjustable stand, reducing neck and back strain during long shifts.

Made for real-world work environments

- Connect to two separate secure networks at once with dual LAN, ideal for retail tills, booking desks and data-sensitive operations.
- Keep your space tidy and secure with a pop-up webcam that disappears when not in use, protecting privacy and deterring prying eyes.

- Rely on dependable cooling and robust construction that shrugs off the heat, dust and non-stop hours of busy service counters.

Versatile enough for any industry

- Use it as a sleek point-of-sale terminal, a front-of-house information kiosk, a reception hub or a back-office workstation.
- Expand effortlessly with HDMI and VGA outputs to drive a second screen, or add peripherals through plentiful USB ports.
- Deploy with confidence thanks to Windows 11 Professional, comprehensive certifications and a power adapter built for prolonged use.

This is the all-in-one that works as hard as you do. Upgrade your workspace today with the Thinvent Uno and experience dependable, professional computing that never lets you down.
