Power through your busiest days with the Thinvent Uno 21.5" All in One PC.

Built for productivity in tight spaces

- Effortlessly run multiple applications and browser tabs thanks to the responsive AMD Ryzen 5 processor – no more waiting around
- The crisp 21.5-inch Full HD display makes spreadsheets, documents and video calls crystal clear, reducing eye strain during long shifts
- A pop-up webcam and integrated dual speakers turn any desk into a professional meeting hub; the camera only appears when you need it, adding privacy peace of mind

Designed to fit your workspace

- The height-adjustable stand lets you find the perfect viewing angle, whether standing or sitting, promoting better posture

- Its slim, aluminium-finished body takes up minimal desk space while looking the part in a modern office, retail counter, or reception area
- Dual-band Wi-Fi keeps you connected without messy cables, and the 12-volt power supply is efficient and cool-running

Reliable performance, simplified

- Windows 11 Pro provides advanced security and management features out of the box – ideal for business or healthcare environments
- Solid-state storage means near-instant boot times and snappy file access, so you spend more time working and less time waiting
- All the essential ports are on board for connecting printers, scanners, or a second display via HDMI or VGA

Choose the Thinvent Uno when you need a space-saving computer that handles real work without compromise.
