

## Thinvent Uno 21.5" All in One PC

### AMD Ryzen 5 7430U processor

6 core, up to 4.3 GHz, 16 MB cache

### 64GB DDR4 RAM

### 512GB SSD

### Dual Band WiFi

### Thinux Embedded Linux

### Fixed Stand

SKU: UNO22-R5\_7-64-M512-19\_3-M-THINUX-F

Powerful computing, elegantly integrated.

The Thinvent Uno 21.5" all-in-one brings professional-grade performance to your desktop without the clutter. Designed for demanding environments where space is at a premium, this sleek unit packs a six-core AMD Ryzen 5 processor that handles everything from real-time data visualisation to multitasking office suites with effortless ease. Whether you're managing a busy reception desk, running a warehouse control point, or powering a digital signage hub, the Uno delivers smooth, responsive operation every time.

#### Why choose this all-in-one for your next deployment

- Enjoy a clean, cable-free workspace – no separate tower means less mess and easier maintenance.
- The pop-up 2-megapixel camera keeps your video calls secure when not in use, adding a layer of privacy that fixed cameras cannot offer.

- Built with robust aluminium alloy and steel, it stands up to the rigours of continuous use in retail, healthcare, or industrial settings.
- The included Thinux™ Embedded Linux provides a stable, low-maintenance platform with everything you need out of the box – web browsers, remote desktop tools, office applications, and multimedia support.
- Dual-band Wi-Fi and gigabit Ethernet keep you reliably connected, whether you're accessing cloud applications or controlling local machinery.

This is more than a PC; it's a purpose-built tool for professionals who need reliable, all-day performance in a footprint that fits any desk. Upgrade your workspace with the Uno – where form meets function.

## Specifications

### PROCESSING

|                 |             |
|-----------------|-------------|
| Generation      | 7000 Series |
| Series          | Ryzen 5     |
| Processor Brand | AMD         |
| Processor Model | 7430U       |
| Cores           | 6           |
| Max Frequency   | 4.3 GHz     |
| Cache           | 16 MB       |
| Main Memory     | 64 GB       |
| SSD Storage     | 512 GB      |

### DISPLAY

|               |                                |
|---------------|--------------------------------|
| Screen Size   | 21.5 inch                      |
| Resolution    | 1920 × 1080                    |
| Brightness    | 250 nits                       |
| Viewing Angle | Horizontal 178°, Vertical 178° |
| Camera        | Pop up, 2 Megapixel            |
| HDMI          | 1                              |
| VGA           | 1                              |

### AUDIO

|             |             |
|-------------|-------------|
| Speakers    | 2 × 3 Watts |
| Speaker Out | 1           |
| Mic In      | 1           |

### CONNECTIVITY

|               |   |
|---------------|---|
| USB 3.2 Gen 1 | 2 |
| USB 2.0       | 2 |
| Side USB 2.0  | 2 |

### NETWORKING

|                     |                               |
|---------------------|-------------------------------|
| Ethernet            | 1000 Mbps                     |
| Wireless Networking | Wi-Fi 5 (802.11ac), dual band |

### POWER

|             |                                 |
|-------------|---------------------------------|
| DC Voltage  | 19 Volts                        |
| DC Current  | 3 Amps                          |
| Power Input | 100~240 Volts AC, 50~60 Hz, 1.5 |

### ENVIRONMENTAL

|                       |                              |
|-----------------------|------------------------------|
| Operating Temperature | 0°C ~ 35°C                   |
| Operating Humidity    | 20% ~ 80% RH, non condensing |
| Certifications        | BIS, RoHS, ISO               |

### PHYSICAL

|                      |                                        |
|----------------------|----------------------------------------|
| Form Factor          | All-in-One                             |
| Stand                | Fixed                                  |
| Dimensions           | 490mm × 378mm × 55mm                   |
| Housing Material     | Aluminium alloy, steel and ABS Plastic |
| Housing Colour       | Black                                  |
| Kensington Lock      | Yes                                    |
| Net and Gross Weight | 7.58kg, 7.58kg                         |

### OPERATING SYSTEM

|                  |                                                                                                                                                                                                                                                                                                                                    |
|------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Operating System | Thinvent® Thinux™ Embedded Linux                                                                                                                                                                                                                                                                                                   |
