

## Thinvent Uno 21.5" All in One PC

### AMD Ryzen 5 7430U processor

6 core, up to 4.3 GHz, 16 MB cache

### 8GB DDR4 RAM

### 1TB SSD

### No WiFi

### Thinux Embedded Linux

### Height Adjustable Stand

SKU: UNO22-R5\_7-8-M1024-19\_3-X-THINUX-HA

Your workspace, evolved.

Built for the modern professional, the Thinvent Uno 21.5-inch All in One PC brings effortless performance right to your desk. With a powerful AMD Ryzen 5 processor under the hood, this machine handles everything from heavy spreadsheets and data dashboards to video calls and multitasking without breaking a sweat.

Why choose the Uno for your business?

- Its height-adjustable stand means you can find the perfect viewing angle for comfortable working, reducing neck and eye strain during long shifts.
- The pop-up camera respects your privacy – it's only there when you need it for secure video conferencing or remote support sessions.

- Pre-loaded with Thinux Embedded Linux, you get a secure, low-maintenance operating system that boots fast and stays reliable. No endless updates, no bloatware – just the tools you need, including browsers, remote desktop clients, and a full office suite.
- The robust aluminium alloy and steel build means this PC is built to last in demanding environments like retail counters, reception desks, or factory floor control stations.

Stop juggling bulky desktops and tangled cables. The Uno's all-in-one design saves space and cuts clutter, while its 21.5-inch full HD display delivers crisp, clear visuals from almost any angle. With ample connectivity including HDMI and VGA for a second screen, plus gigabit Ethernet for rock-solid networking, it's the complete workstation that adapts to your workflow.

Upgrade your daily computing experience. The Thinvent Uno is the professional's choice for reliability, comfort, and lasting value.

## Specifications

### PROCESSING

|                 |             |
|-----------------|-------------|
| Generation      | 7000 Series |
| Series          | Ryzen 5     |
| Processor Brand | AMD         |
| Processor Model | 7430U       |
| Cores           | 6           |
| Max Frequency   | 4.3 GHz     |
| Cache           | 16 MB       |
| Main Memory     | 8 GB        |
| SSD Storage     | 1024 GB     |

### DISPLAY

|               |                                |
|---------------|--------------------------------|
| Screen Size   | 21.5 inch                      |
| Resolution    | 1920 × 1080                    |
| Brightness    | 250 nits                       |
| Viewing Angle | Horizontal 178°, Vertical 178° |
| Camera        | Pop up, 2 Megapixel            |
| HDMI          | 1                              |
| VGA           | 1                              |

### AUDIO

|             |             |
|-------------|-------------|
| Speakers    | 2 × 3 Watts |
| Speaker Out | 1           |
| Mic In      | 1           |

### CONNECTIVITY

|               |   |
|---------------|---|
| USB 3.2 Gen 1 | 2 |
| USB 2.0       | 2 |
| Side USB 2.0  | 2 |

### NETWORKING

|          |           |
|----------|-----------|
| Ethernet | 1000 Mbps |
|----------|-----------|

### POWER

|              |                                              |
|--------------|----------------------------------------------|
| DC Voltage   | 19 Volts                                     |
| DC Current   | 3 Amps                                       |
| Power Input  | 100~240 Volts AC, 50~60 Hz, 1.5 Amps maximum |
| Cable Length | 2 Metre                                      |

### ENVIRONMENTAL

|                       |                              |
|-----------------------|------------------------------|
| Operating Temperature | 0°C ~ 35°C                   |
| Operating Humidity    | 20% ~ 80% RH, non condensing |
| Certifications        | BIS, RoHS, ISO               |

### PHYSICAL

|                      |                                        |
|----------------------|----------------------------------------|
| Form Factor          | All-in-One                             |
| Stand                | Height Adjustable                      |
| Dimensions           | 490mm × 378mm × 55mm                   |
| Housing Material     | Aluminium alloy, steel and ABS Plastic |
| Housing Colour       | Black                                  |
| Kensington Lock      | Yes                                    |
| Net and Gross Weight | 7.58kg, 7.58kg                         |

### OPERATING SYSTEM

|                  |                                                                                                                                                                                                                                                                                                                                    |
