Streamline your workspace, amplify your productivity: The Thinvent® Uno All-in-One PC.

This isn't just a computer; it's a complete workstation solution engineered for the daily demands of business and light industrial environments. By consolidating the entire system into a sleek, 23.8-inch display, the Uno liberates your desk from clutter, creating a cleaner, more professional space for focused work.

Built for reliability and ease of use

- Experience crisp, clear visuals on a large, Full HD screen perfect for viewing documents, spreadsheets, and monitoring applications.
- Enjoy the flexibility to position your screen perfectly for comfort with the height-adjustable stand, reducing neck and eye strain during long shifts.

- Benefit from a robust, space-saving aluminium alloy design that stands up to the rigours of a busy office, retail counter, or factory floor kiosk.
- Connect essential peripherals with ease thanks to a generous array of ports, supporting everything from legacy equipment to modern devices.
- Get started quickly and tailor the system to your exact operational needs, as it arrives ready for your preferred software environment.

The Thinvent Uno delivers dependable, day-in-day-out performance without complexity or excess, making it the smart, economical choice for digital signage, point-of-sale, administrative tasks, and dedicated process control.
