Simplicity and reliability, perfectly combined.

Engineered for purpose, not just performance: the Thinvent® Uno All-in-One PC is your dedicated solution for demanding daily operations. Designed for longevity in commercial and industrial settings, it eliminates clutter and complexity, allowing your team to focus on the task at hand.

Ideal for

- Streamlining reception areas and front-of-house kiosks.
- Powering point-of-sale and digital menu boards in retail and hospitality.
- Running essential administrative and management software in offices.

- Providing a robust terminal for factory floor data entry and monitoring.

Why choose the Uno?

Its all-in-one design integrates everything into a sleek, space-saving unit with a crisp 23.8-inch display, reducing cable chaos and simplifying setup. Built with robust materials and certified for reliability, it delivers consistent, day-in-day-out operation. With Windows 11 Pro, it offers a familiar, secure, and professional platform for your core business applications. The Uno isn't about having the most power; it's about having dependable, focused power exactly where you need it.
