The quiet workhorse that keeps your desk tidy and your business moving.

Meet the Thinvent Uno, an all-in-one PC that clears the clutter and gets on with the day. No more tangled cables and bulky towers, just a single, sleek screen that powers your everyday workflow. It's the smart, unassuming choice for reception desks, back offices, classrooms and shop floors where space is precious and reliability is non-negotiable.

Why choose the Uno

- A generous 23.8-inch display offers crisp, clear visuals, so spreadsheets, dashboards and documents are easy on the eye
- The pop-up camera stays hidden until you need it, giving you video calls with genuine peace of mind

- Fast storage and responsive performance mean you'll spend less time waiting and more time getting things done
- Built-in dual-band wireless keeps you connected without a tangle of cables, whether you're on 2.4GHz or 5GHz
- A neat, fixed stand slips into any workspace and keeps everything stable, hour after hour
- Whisper-quiet operation lets you focus, not listen to a noisy machine in the corner
- With Windows 11 Professional, you get the familiar, secure tools your business expects, ready to join your domain and work with your existing setup

The Uno is more than just a computer; it's a tidy, dependable

Thinvent Uno 23.8" All in One PC
