Unleash productivity with a seamless all-in-one design.

Engineered for business, the Thinvent® Uno 23.8" All-in-One PC consolidates your entire workstation into a single, elegant unit. It eliminates desktop clutter and complex cabling, freeing up valuable space and creating a clean, professional environment. The crisp 23.8-inch display provides a clear window into your work, supported by robust performance that effortlessly handles everyday business applications, from office suites to communication tools.

Key advantages

- Streamlined workspace: An integrated computer and monitor reduces cable mess and simplifies your setup.
- Flexible viewing: The height-adjustable stand lets you find the perfect, comfortable viewing angle for any task.
- Ready for professional networks: Dual LAN ports offer enhanced connectivity options and network redundancy for critical operations.

- Enterprise-grade security: Windows 11 Pro provides the advanced management and security features modern businesses require.
- Uninterrupted workflow: With a pop-up camera and integrated speakers, you're always ready for clear, professional video conferences.

Ideal for

- Front desks and customer service points where a tidy, professional appearance is paramount.
- Office workstations requiring reliable, space-saving computing.
- Meeting rooms and collaborative spaces needing a compact, all-in-one presentation and conferencing solution.
- Any environment where simplicity, reliability, and a clean aesthetic are key.
