No WiFi

Windows 11 Pro

Fixed Stand

SKU: UNO24-CU5_14L-32_5-M1024-12_7-X-11P-F

Unlock the power of a modern workspace, consolidated into one sleek machine.

Meet the Thinvent® Uno 23.8" All in One PC: The streamlined solution for demanding business environments. By integrating the entire system into a single, space-saving unit, you eliminate desktop clutter and simplify your entire IT setup, from installation to daily use.

Engineered for reliability

- Experience smooth, responsive performance for daily business software, customer displays, and control room applications.
- Benefit from rock-solid, wired network connections with dual LAN ports, ideal for secure data transfer or network redundancy.
- Enjoy a crisp, clear view from almost any angle on the vibrant 23.8-inch display, perfect for client presentations or monitoring information.

- Trust in its robust construction and professional-grade Windows 11 Pro, built for stability in commercial settings.

Ideal for

- Point-of-Sale systems and digital menus in hospitality.
- Office workstations and reception desks where space is premium.
- Industrial kiosks and production floor monitoring stations.
- Any scenario requiring a dependable, all-in-one computing solution.

Choose the Thinvent Uno. It's the straightforward, professional choice designed to work hard so you don't have to.
