Where style meets staying power, the Thinvent Uno 23.8" is the business partner you've been waiting for.

A workspace that works as hard as you do

- The height-adjustable stand puts perfect posture at your fingertips, so you can tackle spreadsheets, presentations and long video calls without a crick in your neck.
- The sleek, space-saving design tidies your desk while the pop-up camera keeps your conversations private until you're ready to be seen.

Connectivity without compromise

- With dual gigabit Ethernet ports built in, you can run a secure, reliable network connection on one line while keeping a separate link for sensitive tasks or guest access.
- This makes the Uno a natural fit for reception desks, control rooms, retail checkouts and any environment where staying online is non-negotiable.

Power that keeps pace with your day

- Inside, the Intel Core Ultra processor glides through office suites, web apps and data entry without breaking a sweat, so you'll spend less time waiting and more time doing.
- Windows 11 Professional provides the familiar tools, robust security and seamless management your business demands.

Built for the real world

- The aluminium and steel chassis shrugs off the knocks and bumps of busy workplaces, while the whisper-quiet operation keeps your focus exactly where it belongs.
- From the front desk to the factory floor, the Uno 23.8" delivers dependable performance in a tidy, professional package that looks as good as it works.

Choose the Thinvent Uno 23.8" for a dependable, versatile all-in-one that makes every day a little easier.
