Fixed Stand

SKU: UNO24-CU5_14L-8_5-M256-12_5-X-11P-F

Unlock the power of a modern workspace, consolidated into one sleek machine.

Meet the Thinvent® Uno 23.8" All in One PC: The streamlined solution for demanding business environments. By integrating the entire system into a single, space-saving unit, you eliminate desktop clutter and simplify your entire IT setup, from installation to daily use.

Engineered for reliability

- Experience smooth, responsive performance for daily business software, customer displays, and control room applications.
- Benefit from rock-solid, wired network connections with dual LAN ports, ideal for secure data transfer or network redundancy.
- Enjoy a crisp, clear view from almost any angle on the vibrant 23.8-inch display, perfect for client presentations or monitoring information.

- Trust in its robust construction and professional-grade Windows 11 Pro, built for stability in commercial settings.

Ideal for

- Point-of-Sale systems and digital menus in hospitality.
- Office workstations and reception desks where space is premium.
- Industrial kiosks and production floor monitoring stations.
- Any scenario requiring a dependable, all-in-one computing solution.

Choose the Thinvent Uno. It's the straightforward, professional choice designed to work hard so you don't have to.

Thinvent Uno 23.8" All in One PC

Specifications

PROCESSING

Generation	14th
Series	Ultra 5
