The Uno 23.8" All-in-One PC delivers effortless power and dependable performance, beautifully packaged for today's busy workspace.

****Meet your new favourite colleague:****

The Uno combines a stunning 23.8-inch Full HD display with the lightning-fast Intel Core Ultra 5 processor. Twelve cores of responsive power mean you can juggle spreadsheets, video calls, and demanding business applications without a moment's hesitation. Everything stays smooth, quick, and quietly efficient — exactly how work should feel.

****A workspace that works around you:****

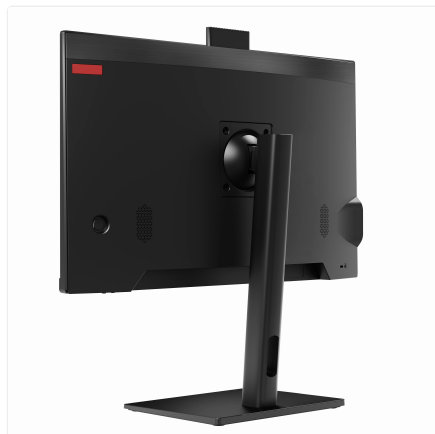

Say goodbye to tangled cables and cramped desks. This sleek, space-saving design puts the entire computer inside the monitor, freeing up room for what matters. The height-adjustable stand lets you find the perfect viewing angle in seconds, reducing neck and eye strain during long shifts. When you need a break, the clever pop-up camera tucks away neatly, protecting your privacy and your professional image.

****Built for business, ready for anything:****

With dual LAN ports, this machine is a networking champion. Whether you're powering a busy front desk, a retail checkout, a healthcare workstation, or a secure office environment, the Uno offers rock-solid, dependable connectivity. Dual-band WiFi keeps you online when you're on the move, and Windows 11 Professional brings enterprise-grade security and management tools straight to your desktop.

****Reliability you can count on:****

Thinvent engineering means robust construction, efficient cooling, and lasting durability. From the sturdy aluminium housing to the thoughtful Kensington lock slot, every detail is designed for long service life and peace of mind. Choose the Uno for a clutter-free, high-performance computing solution that lets your team focus on the job, not the machine.
