Unleash potential with a clean, modern desktop that powers through work.

For businesses seeking reliability and a professional presence

Perfect for reception areas, corporate hot desks, and secure office environments where a clutter-free, integrated design is essential. Its modern Intel power handles daily business applications smoothly, keeping operations fluid and teams productive.

Why it's the smart choice

- Experience a tidy, space-saving setup with the integrated all-in-one design, eliminating cable clutter.
- Connect with absolute flexibility using dual Gigabit Ethernet ports for network redundancy or dual separate networks.

- Enjoy comfortable, all-day viewing with the crisp 23.8-inch screen on its height-adjustable stand.
- Benefit from versatile connectivity with multiple USB ports for peripherals, plus HDMI for a second display.
- Rely on robust, fanless construction for silent operation in noise-sensitive areas like libraries or clinics.
- Future-proof your investment with a modern platform ready for your preferred operating system.

The Thinvent Uno All-in-One PC: Streamlined performance, built for business.
