The all-in-one that means business, without taking over the whole desk.

### ## A workspace that works as hard as you do

The Uno 23.8" All-in-One PC turns your counter, reception desk, or office workstation into a neat, professional command centre. Everything you need is tucked into one slim, sturdy frame – no bulky tower, no tangle of cables, no wasted space.

### ## Built for the everyday grind

This is a machine designed to keep up with busy environments. Whether it's processing orders at the till, managing appointments at the front desk, or powering through spreadsheets in the back office, the responsive Intel Core processor and snappy solid-state storage mean you're never left waiting. It starts up quickly, opens programmes without fuss, and keeps working smoothly through the busiest shifts.

### ## Comfort and security, thoughtfully included

The height-adjustable stand lets you position the screen exactly where it suits you, reducing neck and back strain during long shifts. When you step away, the discreet pop-up camera tucks out of sight – giving you peace of mind and privacy in shared spaces. And with a tough aluminium and steel housing, this PC shrugs off the bumps and knocks of daily commercial use.

### ## Ready for the modern workplace

- Connect effortlessly to your business network and peripherals
- Enjoy crisp, clear visuals with wide viewing angles from almost any position
- Run Windows 11 Professional with confidence, knowing you have a reliable partner for years to come

When you need an all-in-one that looks smart, performs solidly, and is built to last, the Thinvent Uno delivers. It's the simple, dependable upgrade your workspace has been waiting for.
