Height Adjustable Stand

SKU: UNO24-I3_12L-16-M256-12_10-X-11O-HA

Meet the workhorse that keeps your business ticking.

The Uno 23.8" All-in-One is built for the everyday grind, from busy reception desks to humming shop floors. It brings everything you need into one tidy, elegant package, so you can ditch the tangled towers and reclaim your workspace.

Effortless comfort for long shifts

- The height-adjustable stand puts the screen exactly where you need it, easing neck and back strain during marathon workdays.
- A crisp, wide-viewing display keeps dashboards, spreadsheets, and customer details clear from any angle.

Dependable connectivity you can count on

- Twin wired network ports give you rock-solid, secure connections for point-of-sale systems, office networks, and industrial setups that simply cannot afford to drop off.
- With a clean, cabled connection, you get faster, more stable data transfer than flaky Wi-Fi – perfect for sensitive transactions or real-time monitoring.

Privacy and security, built in

- The pop-up webcam stays hidden until you need it, giving customers and staff complete peace of mind.
- Windows 11 Professional delivers the business-grade protection and management tools your IT team will appreciate.

Tough where it counts

- The robust aluminium and steel housing shrugs off the knocks and bumps of busy environments.
- It runs cool and quiet, even in warm conditions that would make lesser PCs sweat.

Replace ageing desktops and cluttered setups with one sleek, dependable screen. The Uno is more than a computer – it's your reliable partner for a productive, professional workspace.

Upgrade your workspace today, and see what a difference a properly built All-in-One makes.
