Unlock streamlined efficiency in a compact, all-in-one design.

The Thinvent® Uno is your dedicated partner for demanding business environments. It consolidates your entire workstation into a single, space-saving unit with a crisp 23.8-inch display, eliminating cable clutter and maximising desk space. Its robust build and dual LAN ports make it the reliable core for point-of-sale systems, digital signage, or industrial control panels.

Built for purpose-driven performance

- Experience smooth multitasking and quick system response for everyday business applications, keeping operations flowing without interruption.

- Benefit from enhanced security and stability with the pre-installed Ubuntu Linux operating system, reducing vulnerability to common threats.
- Connect seamlessly to a wide range of peripherals and networks, thanks to multiple USB ports and dual Gigabit Ethernet for critical wired connections.
- Deploy with confidence in various settings, supported by a low-power design and a suite of industry certifications for reliability.

Simplify your infrastructure with a professional-grade computing solution that focuses purely on the task at hand. The Thinvent Uno delivers dependable, day-in-day-out operation where it matters most.
