Unlock effortless efficiency in a single, streamlined unit.

The Thinvent® Uno 23.8" All-in-One PC is your dedicated command centre for daily operations. Its clean, integrated design consolidates your workspace, saving valuable room and reducing cable clutter for a professional, organised environment.

Built for business, ready for anything

- Experience smooth, responsive performance for everyday office tasks, from document handling to customer management software.
- The expansive, crisp 23.8" display provides ample screen real estate to view multiple windows clearly, reducing the need to switch between applications.
- Dual Ethernet ports offer robust and reliable network connectivity, perfect for secure point-of-sale systems, digital signage, or network management stations.
- Its sturdy, fixed stand and durable construction ensure stability in high-traffic areas like shop floors, reception desks, or factory control rooms.
- The simple, low-voltage power design enhances energy efficiency and operational safety in commercial settings.

  Ideal for retail kiosks, administrative workstations, or industrial monitoring, the Uno delivers dependable, focused computing where you need it most.
