Designed for business, built to last.

The Thinvent® Uno 23.8" All-in-One PC is the robust, dependable workstation for demanding professional environments. Consolidating power and display into a single, streamlined unit, it delivers a clean, cable-free desk space ideal for customer service counters, factory floors, and secure office settings.

### Why choose the Uno

- Simplify your setup with an integrated all-in-one design that saves valuable space and reduces clutter.
- Drive essential business applications smoothly with a capable processor, making multitasking efficient.

- Ensure constant, reliable connectivity for critical systems with dual LAN ports, perfect for networked environments or failover setups.
- Benefit from a crisp, large 23.8" display that presents data clearly for both individual tasks and client-facing interactions.
- Rely on durable, industrial-grade construction and a secure, fixed stand for stability in active workspaces.
- Enjoy peace of mind with a stable, long-term Windows IoT platform designed for dedicated commercial use.

Ideal for: digital signage, point-of-sale systems, industrial control stations, and secure administrative terminals.
