Where reliable computing meets streamlined simplicity.

The Thinvent Uno All-in-One PC: your dedicated hub for business-critical operations. Engineered to deliver dependable day-in, day-out performance without the clutter of a traditional desktop tower.

Designed for efficiency

- Transform any counter, kiosk or office station with a single, sleek cable-free footprint.
- Effortlessly manage height and viewing angle with the adjustable stand for all-day comfort.
- Connect to both wired and wireless networks simultaneously for maximum flexibility and uptime.
- Stay secure with robust industrial-grade construction and a Kensington lock slot.

Ideal for demanding environments

- The perfect front-of-house terminal for retail POS, hospitality bookings, or customer information points.
- A steadfast workstation for administrative tasks, logistics, and warehouse management systems.
- A versatile digital signage solution or control panel for light industrial applications.

With its robust build and intelligent 12th Gen Intel® Core™ processing, the Uno is built to perform where it counts. Choose the all-in-one solution that puts focus squarely on your work.
