Unlock Unshakeable Productivity in a Single Sleek Unit.

Introducing the Thinvent® Uno All-in-One PC, your all-inclusive solution for business and industrial operations. Engineered for demanding environments, it combines a powerful Intel® processor with a crisp 23.8" display and a robust, space-saving design to streamline any workspace.

Engineered for Simplicity and Strength

- Experience a clutter-free desk with the integrated all-in-one design, reducing cable chaos and simplifying installation.
- Count on rock-solid reliability with industrial-grade components built to perform consistently in varied conditions.
- The durable aluminium alloy and steel housing offers superior protection for long-lasting operation.

Adapts to Your Workflow

- Effortlessly tailor the viewing angle to any user with the height-adjustable stand, promoting comfort during long shifts.
- Stay connected with dual Gigabit Ethernet ports for critical network redundancy and failover capabilities.
- The pop-up camera provides security and convenience for clear video communications when you need it, discreetly tucking away when you don't.

Empower Your Operations

From the factory floor to the control room, the Uno delivers dependable computing power to run essential applications, manage systems, and drive efficiency. Its professional Windows 11 Pro OS provides the familiar, powerful tools your business needs to operate seamlessly. Choose the Thinvent Uno—where robust performance meets elegant, practical design.
