Your Command Centre, Simplified: The Thinvent Uno All-in-One PC.

A sleek, integrated solution for demanding environments, the Thinvent Uno consolidates your workspace into a single, powerful unit. Engineered for 24/7 reliability, it delivers seamless performance for business-critical applications without the clutter of a traditional desktop tower.

Perfect for

- Digital signage and interactive kiosks in retail and hospitality.
- Control room stations and industrial monitoring points.
- Reception desks and public access terminals in corporate or municipal settings.

- Streamlined office workstations where space is at a premium.

Why choose the Uno?

Experience effortless multitasking and rapid application response, ensuring your operations never slow down.

Enjoy a crisp, expansive display on a fully adjustable stand for optimal viewing comfort throughout the day.

Benefit from robust connectivity with dual Ethernet ports, keeping your essential systems reliably online.

Rely on industrial-grade construction and a clean, cable-minimising design for a professional, durable installation.
