The workspace workhorse that keeps your business looking sharp and running smoothly.

Your all-in-one desk companion, built for the daily demands of modern business.

Powerful performance without the footprint

- Handles spreadsheets, video calls, and cloud apps at the same time without breaking a sweat.
- A responsive, 23.8-inch Full HD display brings crisp clarity to every document and dashboard.
- The sleek, space-saving design clears your desk of bulky towers and tangled cables.
- Pop-up webcam keeps you presentable on calls and tucks away for privacy when you're done.

Made to keep your business moving

- Ready for front-desk reception, back-office admin, retail counters, or training rooms.
- Reliable enough for long shifts, with sturdy construction that shrugs off daily knocks.

- Dependable Windows 11 Professional experience, built for business software and security.
- Simple, quick setup with a fixed stand—just plug in and start working.

A prudent choice for any organisation

- Fewer components mean less clutter and easier maintenance for your IT team.
- Energy-conscious design keeps running costs down over the life of the device.
- Backed by Thinvent's reputation for dependable industrial-grade computing.

Give your staff the tools they need to do their best work without the fuss. The Thinvent Uno All-in-One PC delivers everyday productivity with professional polish—so your team can focus on the job, not the hardware.

Choose the Uno for a simpler, smarter, and more professional desktop experience.
