Meet the Thinvent Uno 23.8: the dependable all-in-one that keeps your busy workspace sleek, secure, and effortlessly productive.

Why you'll love it

- Effortless power for everyday work: the 12th-gen Intel Core i5 handles spreadsheets, video calls, and multitasking with smooth, responsive speed.
- A cleaner, tidier desk: everything you need is built into one slim, elegant display – no bulky tower cluttering your office.
- Work comfortably for longer: the height-adjustable stand helps you find the perfect viewing position, reducing neck and back strain.
- Your privacy, protected: the clever pop-up camera tucks away when not in use, so you stay in control of what you share.
- Built for business reliability: the sturdy aluminium and steel construction is made to keep running through long shifts and demanding environments.

- Connect with confidence: dual Ethernet ports make this a natural fit for retail counters, reception desks, or secure office networks where a stable, wired connection is non-negotiable.
- Ready to work straight out of the box: Windows 11 Professional delivers familiar productivity tools, robust security, and seamless updates.

Perfect for

- Front-of-house terminals, POS systems, and self-service kiosks that need a tidy, professional look.
- Busy offices and hot-desking areas where one dependable machine must serve many users.
- Any workspace that values simplicity, security, and rock-solid performance over flashy extras.

With the Thinvent Uno, you're not just buying a PC – you're investing in a calm, capable workstation that lets you get on with the job. No fuss, no downtime, just dependable computing day after day. That's the Thinvent promise.
