Meet the desk that works as hard as you do.

****Why you'll love the Thinvent Uno 23.8" All-in-One:****

It's the effortless way to bring serious computing to any workspace – without the clutter of a tower, cables, and extra monitors. One elegant display holds everything you need, leaving your desk clear for the work that actually matters.

****Built for the modern office:****

This AIO is a true all-rounder. Whether it's managing a busy reception, powering a retail checkout, or keeping a classroom engaged, it handles everyday tasks with smooth, responsive speed. The 23.8-inch Full HD screen gives you crisp, comfortable viewing from wide angles – perfect for sharing work with a colleague or customer.

****Your privacy is protected:****

The clever pop-up webcam only appears when you want it to. No more sticky tape over the lens – just crisp video calls and instant peace of mind. And with Windows 11 Professional onboard, you get the security, encryption, and remote management tools that modern businesses rely on.

****Simple, strong, and dependable:****

Built with a sturdy fixed stand and a durable aluminium and steel chassis, this is a PC that can take the daily grind. It runs cool and quiet, so it won't distract you or your team. Even the power supply is tidy and efficient – just one slim adapter.

****Ready to work from day one:****

Forget fiddly setup. Plug in, switch on, and you're ready. With plenty of USB ports, HDMI, and Ethernet, you can connect your peripherals, extra screen, or wired network in moments. It's the wise, future-proof choice for any forward-thinking organisation.

Choose the Thinvent Uno 23.8" All-in-One – and give your team the clear, calm, capable desktop they deserve.
