SKU: UNO24-I5_14-16-M128-12_10-X-110-F

Powerful, practical and elegantly simple, the Thinvent Uno 23.8-inch All-in-One PC puts dependable desktop performance right where you need it.

A workspace that works as hard as you do

- Enjoy a crisp, clear full-HD display that makes spreadsheets, documents and dashboards easy on the eyes
- Tackle demanding office tasks, customer enquiries and data entry with responsive, smooth multitasking
- Keep your desk tidy with a sleek, space-saving design that replaces the tower, monitor and cable clutter
- Stay comfortable during long shifts thanks to a wide viewing angle and a stable, fixed stand

Secure, steady and always ready

- Plug into the built-in Ethernet port for a fast, stable and secure wired connection every time
- Boot up quickly and work confidently with Windows 11 Professional, built for business productivity

- Protect your workspace with a pop-up webcam that stays hidden when not in use, and a Kensington lock slot for physical security
- Rely on sturdy aluminium and steel construction that shrugs off the bumps of busy reception desks, shop floors and back offices

Why you'll want the Thinvent Uno

- Save money on power with an efficient, low-energy design that keeps running costs down
- Get straight to work with a ready-to-go setup – just plug in, switch on and you're productive
- Enjoy peace of mind from a trusted industrial PC maker, with certifications that meet rigorous quality and safety standards
- Make an upgrade that simplifies your IT, reduces downtime and gives your team a tool they'll actually enjoy using

For everyday work that needs to keep moving, the Thinvent Uno is the dependable choice that lets you focus on the job, not the machine.
