SKU: UNO24-I5_14-4-M256-12_5-M-11O-HA

Meet the Thinvent Uno 23.8" – the all-in-one that brings effortless style and serious performance to your desk.

Whether you're running a busy reception, managing a shop floor, or juggling spreadsheets from a home office, the Uno is built to keep up without getting in the way. Its sleek, space-saving design means no bulky tower under the desk – just one clean, impressive display that makes any workspace look sharper.

Why you'll love it

- Tackle everyday tasks with ease – responsive performance that handles multiple apps, video calls and busy workdays without breaking a sweat
- Enjoy a crisp, vibrant screen with wide viewing angles – perfect for presentations, dashboards and shared screens
- Pop-up webcam with added privacy – only appear on camera when you want to, and hide away the moment you don't
- Reliable, secure Windows 11 Pro – built for business, with the tools you need to stay productive and protected

- Dual-band WiFi keeps you connected without the cable clutter, while Gigabit Ethernet is there when you need a rock-solid link

Made for real working environments

- Height-adjustable stand puts the screen exactly where you need it – comfort matters when you're at your desk all day
- Cool, quiet and dependable, even in busy spaces – the Uno keeps running smoothly while you focus on the job
- Sturdy aluminium and steel construction that looks professional and stands up to daily use

From hotel front desks to healthcare clinics, from classrooms to customer service teams – the Thinvent Uno 23.8" is the smart, simple choice that lets you get on with your work. Choose the all-in-one that looks good, works hard, and gives you total peace of mind.
