Meet the Thinvent Uno 23.8: the all-in-one that means business, without the clutter.

The Uno is your silent partner in the modern workplace, turning any desk into a command centre in minutes. Forget tangles of cables and bulky towers – this elegant, space-saving machine puts everything you need in one sleek, adjustable display.

### Real work, real comfort

- Raise, lower and tilt the screen to find your perfect viewing angle, whether you're in a long meeting or crunching through a spreadsheet.
- The whisper-quiet performance keeps up with your busiest days, from managing multiple applications to video calls and data entry.
- A clever pop-up camera keeps you focused. You're in control of when you're seen, and your privacy is never compromised.

### Built for the daily grind

- This is a workstation that thrives on routine. It's robust, reliable, and ready to handle the demands of retail, reception, healthcare, or a busy back office.

- The crisp full-HD display makes everything easier on the eyes, with wide viewing angles so colleagues can collaborate without crowding.
- With Windows 11 Professional, you get the security, management tools and familiar interface your IT team will appreciate.

### A smarter investment

- As an all-in-one, the Uno saves space, reduces power consumption, and simplifies maintenance. It's the cost-effective choice for organisations that need dependable performance, day in and day out.
- A sturdy aluminium and steel design means this PC is built to last, surviving the bumps and knocks of a lively workplace.

Simplify your setup. Elevate your productivity. Choose the Thinvent Uno 23.8 – the professional's choice for a focused, uncluttered workspace.
