****The workspace that works as hard as you do.****

Meet the Thinvent Uno 23.8" All in One PC – the quiet powerhouse that brings order to busy desks and delivers dependable performance for years of daily use. Built for modern business, retail counters, and front-of-house teams, this is the computer that lets you focus on the job, not the machine.

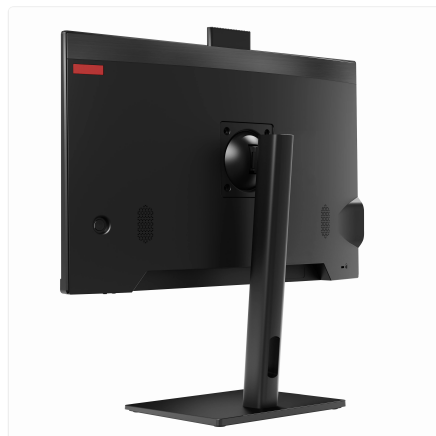

Why choose the Uno?

- It keeps everything neatly in one place – a stunning 23.8-inch Full HD display and a powerful 12th-generation Intel Core i7 processor in a single, streamlined unit that frees up valuable desk space.
- It copes effortlessly with multiple tasks at once – from managing stock and processing orders to running office software and video calls – thanks to its ten high-performance cores that respond instantly when you need them.

- It stays connected when it matters – with dual Gigabit Ethernet ports for rock-solid wired networking and dual-band Wi-Fi for flexible wireless working, so your team never faces downtime.
- It is ready for demanding environments – the robust aluminium and steel construction shrugs off the bumps and knocks of everyday use, while the clever pop-up camera adds privacy and a touch of class.
- It works straight out of the box – pre-loaded with Windows 11 Professional and a fast SSD drive that boots in seconds, so you can set up and start being productive within minutes.

Ideal for reception desks, shop floors, clinics, and control rooms, the Thinvent Uno is the dependable all-rounder that keeps your operations running smoothly.

Choose the Uno – and get on with the work that matters.
