Command your workspace with quiet confidence.

The Thinvent Uno 23.8" All-in-One PC is built for professionals who need a reliable, polished workhorse without the bulk of a traditional tower. Whether you're managing a busy reception desk, controlling an industrial process, or running a modern office, this machine brings everything together in one sleek, space-saving design.

Why you'll love it

- Effortless multitasking with a powerful 12th-generation processor that keeps demanding applications running smoothly.
- A bright, wide-viewing Full HD display that makes dashboards, spreadsheets, and customer interactions clear and comfortable.
- Pop-up webcam for privacy and quick video calls – simply press to engage, press to hide.
- Dual Ethernet ports for secure, stable networking, ideal for point-of-sale systems, digital signage, or secure internal networks.

- Dual-band Wi-Fi so you can stay connected without trailing cables when you need flexibility.
- A height-adjustable stand lets you find the perfect viewing angle, reducing neck and eye strain during long shifts.

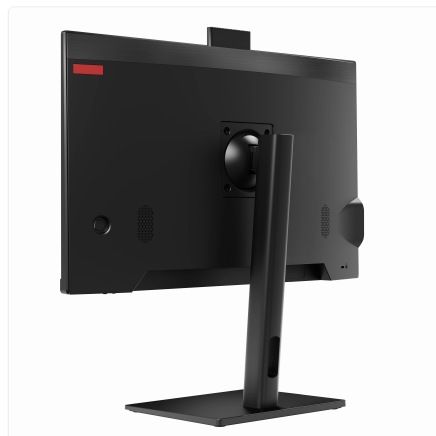

Built for the long haul

The Uno is not just a pretty face. Its aluminium and steel construction shrugs off the bumps and knocks of daily use, while the fanless, low-power design keeps it quiet and cool in any environment. From factory floors to front-of-house, it's a dependable partner that keeps working when you need it most.

Your next step

Upgrade to a cleaner, smarter workspace with an all-in-one that looks professional and performs even better. The Thinvent Uno is the practical choice for businesses that value reliability, security, and a tidy desk – all backed by Windows 11 Professional for a familiar, productive experience.

Make the move to a computer that simply gets on with the job.
