Meet the workhorse that quietly runs your world.

The Thinvent Uno 23.8" All-in-One PC is the dependable heart of your busy workspace, designed to keep things simple, secure, and moving. Whether your team is greeting customers, monitoring operations, or managing data at the front desk, this machine is built to deliver a smooth, responsive experience all day long – without the clutter of a traditional tower.

Why you'll love it

- Effortless multitasking with a powerful 10-core processor that shrugs off demanding workloads, so nothing keeps your team waiting.
- A crisp, vibrant screen with wide viewing angles makes shared use a pleasure – perfect for dashboards, presentations, or patient-facing displays.
- The pop-up webcam puts privacy firmly in your hands: engage it when you need it, tuck it away when you don't.
- Dual network ports give you flexible, dependable connectivity – ideal for secure environments or for separating internal and external traffic.

- Thoughtful security features, including a Kensington lock slot, help keep your investment safe in public or high-traffic areas.

Perfect for

- Retail counters and hospitality check-ins where space is precious and first impressions matter.
- Control rooms and back offices that need reliable, always-on performance.
- Healthcare and education settings that value a clean, professional look with easy-to-reach ports.
- Industrial and semi-industrial environments that demand rugged build quality for continuous use.

Built to last

- A sturdy aluminium and steel chassis handles the rigours of real-world shifts, while quiet, efficient operation keeps your workspace calm.
- With Windows 11 Professional aboard, you get a secure, familiar platform that works seamlessly with your existing tools.

Choose the Thinvent Uno and give your business a reliable, space-saving partner that simply gets the job done – shift after shift.
