

Thinvent Uno 23.8" All in One PC

AMD Ryzen 5 7430U processor

6 core, up to 4.3 GHz, 16 MB cache

32GB DDR4 RAM (2 x 16GB)

128GB SSD

No WiFi

Windows 11 Pro

Height Adjustable Stand

SKU: UNO24-R5_7-16_16-M128-19_7-X-11P-HA

Your workspace, truly elevated.

The Thinvent Uno 23.8 inch all-in-one PC brings together serious processing power and a refined, space-saving design. Powered by an AMD Ryzen 5 7000 Series processor with six cores, it handles demanding business applications, multitasking, and data processing with effortless speed. Whether you're managing spreadsheets, running point-of-sale software, or coordinating a busy reception desk, this machine keeps your workflow smooth and responsive.

The 23.8 inch Full HD display delivers crisp, clear visuals with wide viewing angles, perfect for collaborative work or customer-facing screens. And the height-adjustable stand means you can set the perfect ergonomic position for long shifts – reducing strain and boosting comfort.

Security is built in. The pop-up 2 megapixel camera stays hidden when not in use, giving you complete control over your privacy. With Windows 11 Pro onboard, you benefit from enterprise-grade security features and seamless integration with your existing IT environment.

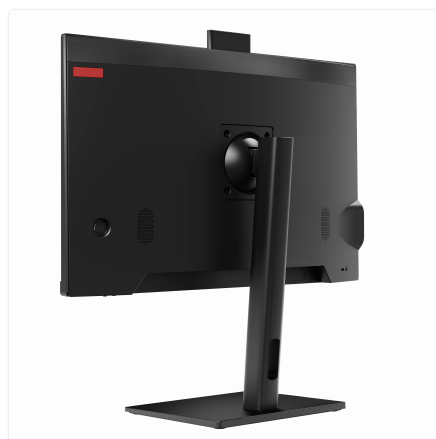

Connectivity is generous. Multiple USB ports, HDMI and VGA outputs, and a Gigabit Ethernet port make it easy to link peripherals, external displays, and a wired network. The robust aluminium and steel housing ensures it can stand up to busy commercial settings, while the compact all-in-one form factor frees up valuable desk space.

Why choose the Thinvent Uno?

- Exceptional performance for office, retail, healthcare, and education environments
- Ergonomic height-adjustable stand for comfortable all-day use
- Pop-up camera for privacy and security
- Windows 11 Pro for reliable, secure operations
- Robust construction and comprehensive I/O for versatile connectivity

Upgrade your workspace with the Thinvent Uno – power, practicality, and peace of mind, all in one elegantly designed unit.
