The all-in-one workhorse your busy desk has been waiting for.

Built for modern professionals who need a dependable, clutter-free workspace, the Thinvent Uno 23.8 brings powerful processing to a sleek, space-saving design. Whether you're running front-of-house systems, managing patient records, or handling everyday office tasks, this PC delivers smooth, responsive performance without taking over your desk.

The sharp full HD display makes long working hours easier on the eyes, while the height-adjustable stand lets you set the perfect viewing angle – reducing neck and back strain. A discreet pop-up camera keeps video calls professional and protects your privacy when not in use. With a stable wired network connection, you can rely on uninterrupted productivity throughout the day.

Why choose the Uno 23.8?

- Effortless multitasking for office, retail, healthcare and education settings
- Fast storage ensures quick boot-up and snappy application loading
- Compact, integrated design reduces cable clutter and saves valuable space
- Adjustable stand promotes better posture and comfort
- Security features
